CHAPTER 7

Grr...

That's what
you told your
girlfriend the
other day,
right?

I'm just
checking out
the campus

Stop
making fun
of me... I'm
really going
to call the
police...

because
I'm thinking
about taking
the entrance
exam.

I'm sure
everyone will
be able to
figure out you
caused it.

A major
incident
like that...

If the police
did come, it
would create
a pretty big
spectacle.

I say
that,
but...

The truth
is I'd have
to bail fast
if he really
called them.

Fine. Go
ahead.

But I'm not
like you. I'm
not following
you to your
job or your
home.

So you can't
prove that I'm
stalking you,
right?

Moreover...

...?

...!

Kanako's
younger
sister?

ON
YOUR
WAY
HOME?

Yes...

Let's
go...

...

Huh?
What do you
mean?

I was
motivated
by my own
feelings...

This has
nothing
to do with
my work
as part of
the School
Police.

Please
calm down,
Mirumis...

L... I'm
sorry... I'm
not trying
to make
excuses
but...

Are
suddenly
jumping in
when it's
too late?!

So the
police who
couldn't do
anything at
the right
time...

What are
you talking
about?

STARLE

Forgot
about
what he
did and
was living
a happy
life...

That
man, who
caused
so much
pain...

I just
wanted him
to know...

Even
though
his crime
was so
great...

That his
victim and
her family
were still
suffering
from it...

They
couldn't
make him
aware of
that...

The victim
and the
perpetrator
would never
see each
other, so...

Of course,
with the
restraining
order...

That's why...
somehow...

What is
it you two
were talking
about, Iida?

6359A

5/25/2016

Idiot.
However
cute she is,
a stalker is
a stalker.

Yeah, so dangerous! You never know when she'll snap!

H.
he
he

That's
girl hasn't
shown up
lately, has
she?

Did you happen to get her email address or something, lida?

444

EEH?!
TODAY
TOOP!

Hier actions
have nothing
to do with
the police.

She was just acting on her own behalf, trying to force an apology from him.

...Is what Sakurabanan said.

trot

trot

See [val](#).

Now
then...

What
should I have
you treat me
to today...

Right?

Kanako's...

You're...

Younger
sister...

I could've
used my
seven
costume-
pieces...

I knew it...
I should have
gone in
disguise...

!!

It's very
distinctive

Because...
your uni-
form...

If you do
something
weird, I'll
photograph
it!

Do
you have
business
with me?

SHOCK

No...

It's not
really "busi-
ness"...

What
are you
doing?!

How do
you know
the high
school we
go to?!

Jump

Before,
it was the
same as
Kansako's...

You
cut your
hair...

Um...

And
Kansako
told me
about
you a few
times...

Once
or twice
before...

I saw
you...

Ek? What's
some, on?

What?
Shippo?

!!

Ek?

She
has it cut
again...

Onee-
chan's hair
grows out
a bit...

Whenever...

That
Onee-chan
keeps her
hair short
like a boy's
now...

I'm
sure it's
because of
that...

When you
attacked
Onee-chan...

You
grabbed
her hair,
right?

Since
she won't
leave the
house...

Our
mom
always
cuts
it...

I thought
my hair
might be
bringing
back bad
memories
for her, so
I cut mine
too.

I'd heard there was a high school girl following Kazu-kun around...

His girlfriend ran into me on my way home yesterday.

...!!

His girlfriend... already knows... about what happened...

So you knew...

I see...

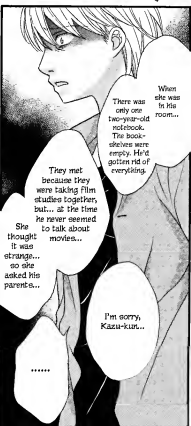

I'm sorry... for kidding!!...

Wait- wait!!

It's Mitsu! you should be apologizing to!

Why are you apologizing to HERP!

When she was in his room...

There was only one two-year-old notebook. The bookshelves were empty. He'd gotten rid of everything.

They met because they were taking film studies together, but... at the time he never seemed to talk about movies...

She thought it was strange... so she asked his parents...

I'm sorry, Kazu-kun...

Even though
you want to
forget...

Even when
you almost
thought you
forgot...

Midori-
chan?

There's no
such thing as
a person who
can forget
something
like that...

Hurting the
person most
important to
you...

Because
if only the
perpetrator
moves on,
that's
terrible!

As
many
times
as it
takes!

You have
to apolo-
gize to the
victim and
her family!

You
never
actually
do.

What
else am I
supposed
to do?!

You think
you can just
ignore the
victims'
feelings?!

You...

Ah...

I want to
forget...
I tried to
forget...

To forget
everything...

Pain also lingers...

And that pain...

and the inescapable guilt...

It doesn't go for all perpetrators, but...

In those who have brought pain on others...

What should I do? Should I film it?

But even if Onee-chan saw him apologizing...

Would it really bring her any relief?

After this, I'll forget her... have nothing more to do with her...

That's really... what's best...

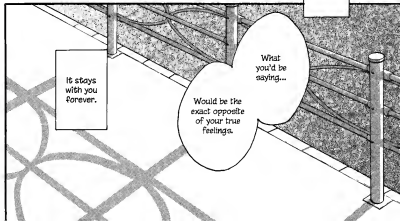

Er?

What you said the other day...

If you were to say it again now...

You try not to see it... you try to forget it...

But...

It stays with you forever.

What you'd be saying...

Would be the exact opposite of your true feelings.

I don't believe him! He's the worst! He should just die!

She got super-angry.

Was she okay with it?

Yeah. Last night. I was really worried.

What...?

You actually showed that video to your sister?!

She wasn't.

And then she smashed the SD card.

Kanako was my first girlfriend, but I no longer have any interest in her...

I know what I did was wrong, but...

Well, I guess if you show her a video like that...

Isn't it enough that I paid my fine?

I don't want anything to do with her anymore.

Do you think this is the end of the matter?

I see... well...

Fufu

That was the first time I heard her yell in a long time. And this morning she was smiling.

But I much prefer to have Onee-chan get angry...

rather than being scared...

And...

It's selfish
of me to say
this, but...

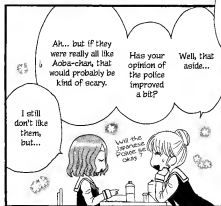

I really
thought
about this
carefully...

I really... hope
she can find
happiness...

With
another
guy...

I never
thought
I'd say it,
but...

Yes...

Ah... but if they
were really all like
Aoba-chan, that
would probably be
kind of scary.

Has your
opinion of the police
improved
a bit?

Well, that
aside...

I still
don't like
them,
but...

Will the
Japanese
police get
okay?

You didn't
want to say
that in the
video?

Yeah...

The
100-yen
menu?

Those two
will treat me to
something from
McDonald's
100-yen menu.

On the
way home
today...

Do you understand?!

Seeking out a perpetrator and harassing him...

Is not something a police officer does!

Stop eating like you don't care!

Ghomp Ghomp

Well, at least everything worked out in the end.

So, basically...

You just can't think rationally!!

I'm glad.

Midori-chan is back to usual today.

Jeez! The personnel change can't come soon enough!

IT DID NOT "WORK OUT"!! WE'D BE FIRED IF SOMEONE REPORTED THIS!

YOU GOT AWAY WITH IT THIS TIME, BUT IF YOU KEEP ACTING LIKE THIS...

Even when you almost thought you forgot...

Yesterday...

She seemed so listless...

You never actually do.

I wonder...

Who she was talking about...

She looked
like she
was about
to cry...

While
she's so
strong...

And
always
looks
calm...

Some-
how...

Right
now...

I really...

Hold on,
Someone's
calling.

Hey,
Midori-
chan.

ring

Want to
give her a
hug...

Is how
I feel...

Good
thing
the hand
I used
to grab
that guy's
collar is
still right
now

Sip

We
really might
be getting
FIRED.

I take
back
what
I just
said..

Midori-
chan?

Who
was it?

Yes...
Yes...

Yes...

Yes...

Under-
stood...

Yes...

Goodbye.

To be a
hero of
justice...

This can't
beeeeeee!!

Harraeing a
perpetrator...
blackmailing...
a forced video...
we'll be expelled
from the school
police for sure.

It was the
section
chief. She
wants us
to come to
the head
office.

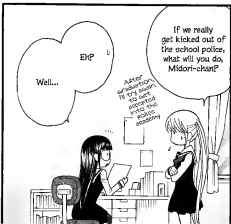

It seems
she's gotten
word of how
we've been
involving our-
selves in off-
campus cases
recently...
I'm sure...
this is the
last straw...

EEEEEEH?!

Why?!

After all the
hard work I've
done to achieve
my childhood
dream!

IT
CAN
BE.

What
the hell
is this?!

That's
what you
wanted..

How come everyone likes high school girls so much? It's just natural to like them. To love them. Their uniforms are lovely. They're a national treasure. I know. I love them too.

You're a wonderful person!!

Good day, I'm Moringa Milk. Thank you very much for buying this manga with such a weird genre.

So I took all the things I like, combined them...

And got...

I watch them all, from modern ones to ones set in the past.

I consider "Onikei Hankachou" a police drama

Blue-Rings were convenient! A 2 hour suspense drama with no commercials!

I love them.

Does everyone like police dramas too?

Energetic

They wouldn't make good police officers at all? Well, no, they wouldn't... I feel that way too... But I really wanted to draw one flipping out her notebook like this.

I'm really sorry...

High school girl police officers!

Leaving it like this, it looks like I'm the only one drawing this fun and mysterious manga, but...

I was helped on volume 1 by Ashi-san and my friend Boss-sama. Thank to them, and thanks to all the big-hearted people at Comic High! And if you've gotten even a little bit of enjoyment from reading this manga, then I'm very happy.

There will be some cat-fighting in volume 2, but it's so they can become closer. ♪

From now on, the manga is going to be more like a real police drama... and the school where nothing happens... may experience a yuri-like happening...

Well, that's nothing out of the ordinary.

Eh? A happening?!

For real?!

Who are you going to get in a fight with, Midori-chan?

With you.

I'm really sorry for just doing whatever I wanted.

BOW BOW
